- Microsoft Excel** – 3rd September 11:30am

Excel is an electronic spreadsheet program that is used for storing, organizing, and manipulating data. A few of the uses for excel are: calculating, charting, scheduling, various lists, managing your monthly expenses etc.

Hamilton SeniorNet Course Schedule – September 2024

- **How to – with Smartphones and Tablets** - *Note the different days and times above.*
Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Want help with emails or social media? Want to try new apps or tips and tricks to make your phone your friend? Please discuss your requests with the tutor when booking.
- **New Members** – 10th September 1pm - Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- **WORKSHOP Free: Keeping Safe On-Line** – 24th September 10am
Keep safe on-line using 2FA (2 Factor Authentication) and Password Managers. What is 2FA, why should I use it? Are password managers safe? Come along to find the answers to these questions plus more about having a safe on-line presence.
