- 10<sup>th</sup> October 10am - **Microsoft Excel:** Excel is an electronic spreadsheet program that is used for storing, organizing, and manipulating data. A few of the uses for Excel are: calculating, charting, scheduling, various lists, managing your monthly expenses etc.

## Hamilton SeniorNet Class Timetable – October 2024

---

- **How To – with Laptops, Computers, Apple Macs & Chromebooks** – *Note the different days and times above*  
Help with your laptop, computer or Apple Mac. From beginners to more advanced wanting to update skills, email, filing, folders etc. Have you upgraded from Windows 10 to Windows 11 and feel a bit lost? Learn how to make using your computer or laptop easier. You will need to bring along your own device that is fully charged. Please discuss your help requests with the tutor when booking.
- **How to – with Smartphones and Tablets** - *Note the different days and times above.*  
Whether you want to know the basics or something more advanced bring along your smartphone or tablet, either Android or Apple, with your queries and problems. Want help with emails or social media? Want to try new apps or tips and tricks to make your phone your friend? Please discuss your requests with the tutor when booking.
- 8<sup>th</sup> October 1pm - **New Members:** Come along to find out what SeniorNet is all about and meet some of our tutors. This session is free and you are under no obligation to join (but we hope you will 😊). Take the opportunity to talk to us about what you would like to know more about, we would love to be able to help.
- 15<sup>th</sup> October 10am – **WORKSHOP Free: Keeping Safe Online, 2 Factor Authentication & Password Managers:** This is a follow-up to the September workshop. Keep safe on-line using 2FA (2 Factor Authentication) and Password Managers. What is 2FA, why should I use it? Are password managers safe? Come along to find the answers to these questions plus more about having a safe on-line presence.
- 22<sup>nd</sup> October 11:30am - **WORKSHOP Free: Cyber Smart Week: CERT NZ** is your first port of call when you need to report a cyber security problem. Come along to find practical guidance on how to keep your information safe and secure online. Scammers are becoming more sophisticated we need to stay up to date.
- 29<sup>th</sup> October 10am - **WORKSHOP Free: Maintaining your laptop or PC:** Learn about the things you can do regularly to keep your laptop or computer working efficiently. Do you update the software regularly; delete/uninstall unnecessary or unwanted files and programmes; what is defragging, do you need to do this, and more? Come along to discover how to get the best from your laptop or PC.
